Sky Angel TV is delivered directly to your television set by a high-speed Internet connection. Recommended minimum download speed of 1.5 Mbps per receiver. Programming, channels, number of channels, subscription prices, equipment prices and special offers all subject to change without notice. Equipment and activation subject to availability. Shipping, activation and applicable taxes may apply to subscription and equipment purchases. *The 1 Month Free Offer is only available to new Sky Angel TV subscribers who pre-paid for an annual subscription on any of the Sky Angel TV programming packages. This subscription is non-transferable and non-refundable after the expiration of the 30-Day Risk-Free Trial and will automatically renew for 12 months unless cancelled by the customer prior to the ending of the 13-month agreement. Subscription/Premium Channels, Video On Demand and Subscription Video On Demand are not included in this special offer. Offer does not apply to the Sky Angel WebTV service. For complete details, terms and conditions please visit www.skyangel.com.
