\*3G/4G Unlimited plans include full-speed 4G data as follows: 500MB (\$5 plan), 5GB (\$40 nTelos plan) or 10GB (\$35 and \$55 plans). A 4G device is required to access 4G data.

Virgin Mobile reserves the right, without notice, to temporarily limit throughput speeds when monthly data usage on unlimited Broadband2Go plans exceed the established threshold. [Read more](#). Our Broadband2Go plans have changed. If you switch to another plan, you will not be able to switch back to the plan.
