**Court File No. 15-A-3**

Dear Registrar:

**Re: Bell Mobility Inc. (“Applicant”) and Benjamin Klass, The Consumers’ Association of Canada, The Council of Senior Citizens’ Organizations of British Columbia and the Public Interest Advocacy Centre, The Canadian Network Operators Consortium, Inc., Bragg Communications Inc., Carrying on Business as Eastlink, Fenwick McKelvey, Vaxination Informatique, the Samuelson-Glushko Canadian Internet Policy & Public Interest Clinic, David Ellis and Teresa Murphy ( “Respondents” )**

---

Bragg Communications Inc., carrying on business as Eastlink (“Eastlink”), is in receipt of the Motion Record filed by the Applicant seeking, *inter alia*, a Motion for Leave to Appeal, Broadcasting and Telecom Decision CRTC 2015-26, rendered by the Canadian Radio-television and Telecommunications Commission (CRTC) on 29 January 2015 (the “Motion”).

Eastlink takes no position on this Motion, other than to contest the request by the Applicant for the Court to grant their costs of this motion against the Respondent, Eastlink. The Motion relates to an appeal of a CRTC Decision to which Eastlink was merely a participant in the regulatory process and as such, no costs should be awarded against Eastlink on this motion.

Respectfully submitted,

Natalie MacDonald  
Vice President, Regulatory Matters
